

WEB: Where Everybody Belongs!

- WEB is a middle-school orientation and transition program that welcomes all 6th graders and all new 7th and 8th grade students and helps them with a smooth transition to middle school.
- WEB Leaders are mentors and student leaders. They guide 6th graders to discover what it takes to be successful in middle school and help facilitate their success!
- WEB also acts as an anti-bullying program with a cadre of student leaders who look for bullying behavior and help stop it.
- WEB Leaders build relationships with their 6th graders with activities such as socials, orientation day, academic activities, and more!
- Through WEB, new students learn that people at our school care about them and their success.
- WEB Leaders show new students that our school is a school, “Where Everybody Belongs!”
